Dear Donor,

The 2026 **Northeast All Breeds Spring Show**, featuring the **Northeast National Jersey Show**, will take place April 18–25, 2026, at Eastern States Exposition in West Springfield, Massachusetts. This premier event brings together top-quality dairy cattle and youth exhibitors from across the region— showcasing the excellence, dedication, and future of the dairy industry. Each year, this show provides young dairy enthusiasts the opportunity to exhibit elite cattle, build lifelong connections, and develop leadership and agricultural skills. We are proud to host an event that showcases both exceptional cattle and the next generation of dairy leaders. We invite you to partner with us as a **donor** for this year's show. Your support directly benefits youth exhibitors by helping us provide quality awards, professional judges, and an unforgettable experience for all participants. Sponsors will be recognized throughout the event — in the show ring, in the digital & print catalog, and across our social media platforms.
